

**Press Release**

On November 8, 2010, Dr. Janet Koroscik announced her resignation as Superintendent from the Rantoul Township High School District No. 193 effective November 8, 2010.

At this time, the Board and Dr. Koroscik have determined that her resignation is best for the community, students and her family. The Parties feel that this is the best solution to the professional and philosophical differences which have arisen between the Parties. The Board and Superintendent equally thank the public for their support. However, it is the goal of both the Board and Dr. Koroscik that all energies now be spent on what is best for the students of the School District in moving forward.
